Interior Design Project Assistant

Salary: MVR 10,000-12,000 / month

Based on experience, capability and what you bring to the role

About the Role

A junior support role, **based in Male'/Hulhumale**, focused on project coordination, sourcing, procurement and site-related support within our interior design projects

- Supplier & contractor coordination
- Material & product research + sourcing
- Procurement tracking & follow ups
- Site measurements & progress support
- Project documentation & organization

Requirements

- Design related background preferred
- Basic visual/design awareness
- CAD / 3D skills are an advantage, but not required
- Strong common sense and maturity
- Organized, reliable & detail oriented
- Strong written & verbal communication
- Comfortable dealing with suppliers & contractors
- Comfortable using Microsoft Office and Google Workspace
- Valid driving license
