Smart Own
MALDIVES PRIVATE LIMITED

WE'RE LOOKING FOR...

Procurement Assistant Manager – Supply Chain Management

You will succeed if you have:

- Relevant qualifications and proven experience in procurement, purchasing, or supply chain management
- Strong leadership and team management skills, with the ability to guide, motivate, and develop team members
- Excellent negotiation, communication, and interpersonal skills
- Strong analytical, organizational, and decision-making abilities
- Ability to manage supplier relationships, evaluate procurement needs, and ensure cost-effective purchasing
- A proactive approach, strong sense of responsibility, and commitment to achieving departmental objectives
- Fluency in written and spoken English
- Ability to work collaboratively with other departments and maintain high professional standards

As the employer, SMART OWN MALDIVES offers:

- Competitive pay and benefits with career progression
- Health Insurance as per company policy
- Recognition and celebration of individual and team success
- A positive, respectful, and empowering work environment

If you believe you fit the above role, please, send your CV and relevant documents including valid police report to careers@smartown.mv with the subject **"Procurement Assistant Manager - Supply Chain Management"**.
