CORALGLASS

WE ARE HIRING

CONTENT CREATOR

We're looking for a creative, organized Content Creator to join our team full-time. You'll take ownership of content projects from concept to delivery, creating engaging social media content for a range of clients.

RESPONSIBILITIES

- Take creative control and lead the content direction for assigned projects.
- Create high-quality, engaging content for client social media platforms.
- Help manage client social media accounts and maintain a consistent brand presence.
- Plan, schedule, and publish social media posts.
- Work efficiently under pressure and meet short project deadlines.
- Scout suitable locations for video and content shoots.
- Source and coordinate models, talent, and other on-camera contributors as needed.
- Collaborate with the team to develop fresh content ideas and campaigns.

DUE DATE:
1 DECEMBER 2026

BENEFITS:
Corporative Salary / Performance-based increments
