03.

MERAKI COFFEE ROASTER

APPLY :

CAREERS@MERAKI.COFFEE

COFFEE MACHINE TECHNICIAN

Requirements:

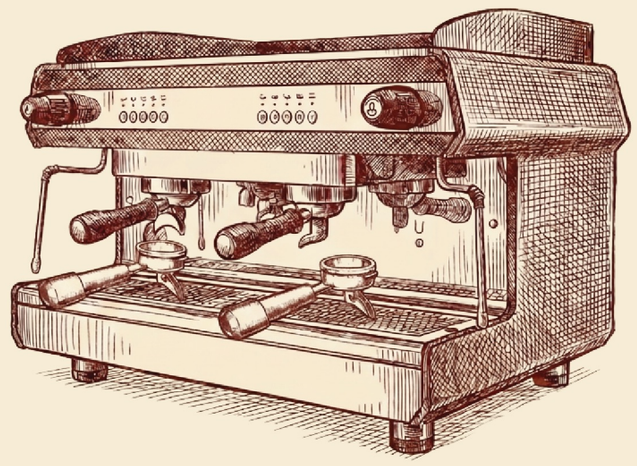

- Educational background in electronics or a related technical field.
- Minimum of 3 years experience working with electronics or electrical systems.
- Proficiency in English (spoken and written.)
- Organized, punctual, and reliable.
- Willingness to travel domestically, including to islands.
- Ability to create service reports and instructions using MS Office.

Responsibilities:

As a Coffee Technician, you will assist in the installation, maintenance, and repair of coffee equipment. Previous experience with coffee machines is an advantage, but not a requirement, as full training will be provided.

What we're looking for:

- Young, energetic, with a professional attitude.
- Eager to learn about coffee technology
- Capable of working independently and solving problems
- Comfortable working as part of a team
